Corporate Experience

Pabulum-Huckeye Medical and Allied Health Services is Service-Disabled Veteran Owned Small Business (SDVOSB) joint venture between Pabulum Consulting LLC and Huckeye Health Services. Our mission is to create dynamic healthcare solutions, while ensuring the highest standards of medical and allied health staffing. Our team has an average of 36 years of experience in the healthcare sector. We are committed to integrating our small business agility with unparalleled dedication to service, meeting the evolving healthcare needs of our clients while empowering and championing the employment of our nation's service-disabled veterans."

Our holistic staffing solutions, implemented from previous contractual experiences working alongside industry leaders are coordinated with the input of our clients and designed to incorporate your specific needs with added focus on helping you to reduce costs, streamline processes, improve efficiencies, and pull focus on what you do best—providing world-class patient care. With access to a database of more than 5000 medical professionals, a large internal presence within our organization, a broad network of external contacts and experiences in short-term, long-term and transportation care, rest assured that Pabulum-Huckeye Medical & Allied Health Services will be able to exceed all expectations.

With dedicated medical personnel in place that have varied experiences across all areas of the healthcare sector, we are able to provide the services on any number of trained medical professionals dependent upon your needs. The staffing positions we currently recruit, onboard and provide for our clients includes and is not limited to:

- Nurse Practitioners
- RN General
- RN Specialty
- Physical Therapist Assistants
- Speech Language Pathologists
- Physical Therapists
- Occupation Therapists
- Licensed Practical Nurses
- Certified Nursing Assistants
- Social Workers
- Personal Assistants Services
- Administrative Assistants
- Medical Doctors
- Pharmacist
- Laboratory Technician
- Pharmacy Technician
- Medical Technicians
- EPIC-certified Consultants
- VMS Administrators
- Healthcare Project Managers

In addition to the above roles and staffing resources we can provide, we also specialize in providing a bespoke enhanced Entry Screening Service in the occurrence of epidemic outbreaks. This is informed from our experiences of providing services during the outbreak and peak times of Covid-19. Furthermore, we ensure that we have PPE Equipment on-hand so services can commence immediately. This is just one example of the numerous resources and tools we procure for our nurses and medical assistants.

Past Performance

Pabulum-Huckeye provides a number of services to clients ranging from Correctional facilities to medical facilities and private clients in the healthcare sector. The services we provide can be obtained through the GSA Schedule Federal Supply Schedule (FSS) 621 I Professional & Allied Healthcare Staffing Services, Contract #: 36F79720D0035738X. We offer GSA billable rates and will co-ordinate our efforts with the client using an extensive communication plan, informed by our experiences. This is to ensure the staffing services we are providing are aligned with the requirements of the client, taking into account their needs for experienced staff with specific certifications and qualifications. It also ensures that our staffing solution is within the limits of their budget.
